## PORTABLE FIRE EXTINGUISHERS BVC PRODUCTS CERTIFICATE

Certificate nº: **ES046108**

In compliance with BVC procedure relating "Portable Fire Extinguishers" certification, BVC has decided that the products:

### PORTABLE FIRE EXTINGUISHERS

With the designation and characteristics in annex,

They comply with the standard:

**UNE-EN 3-7:2004/A1:2008**

Manufacturer:

**ELITEX PROTECTION, S.L.**

Production center:

Ctra n-320 (Albacete-Cuenca), km 133,5-16003 Cuenca-Spain

The products are submitted to tests and factory production control from the manufacturer, and from Bureau Veritas Certification to the evaluation, type test, production control and to the continuous surveillance of the factory production control according to the established requirements of the standard UNE-EN 3-10:2010.

This certificate remains valid as long as the product, and manufacturing conditions and production control of the portable fire extinguishers are not modified significantly.

Date of initial issue: **November 16<sup>th</sup> 2012**

Date of update: **August 06<sup>th</sup>, 2021**

Date of expiration: **November 15<sup>th</sup> 2024**
